- ii** recover from You any sums that We have already paid in respect of the claim.

We may also notify You that We will be treating the Policy as having terminated with effect from the date of the earliest of any of the acts set out in sub-clauses **A–D** above. In that event, You will:

- i** have no cover under the Policy from the date of the termination; and
- ii** not be entitled to any refund of premium.

## 7 Fair Presentation of the Risk

- A** You must make a fair presentation of the risk to Us at inception, renewal and variation of the Policy.
- B** We may avoid the Policy and refuse to pay any claims where any failure to make a fair presentation is:
  - i** deliberate or reckless; or
  - ii** of such other nature that, if You had made a fair presentation, We would not have issued the Policy.

We will return the premium paid by You unless the failure to make a fair presentation is deliberate or reckless.

- C** If We would have issued the Policy on different terms had You made a fair presentation, We will not avoid the Policy (except where the failure is deliberate or reckless) but We may instead:
  - i** reduce proportionately the amount paid or payable on any claim, the proportion for which We are liable being calculated by comparing the premium actually charged as a percentage of the premium which We would have charged had You made a fair presentation; and/or

- ii** treat the Policy as if it had included such additional terms (other than those requiring payment of premium) as We would have imposed had You made a fair presentation.

For the purposes of this clause references to:

- a** avoiding the Policy means treating the Policy as if it had not existed from the inception date (where the failure to make a fair presentation of the risk occurs before or at the inception of the Policy), the renewal date (where the failure occurs at renewal of the Policy), or the variation date (where the failure occurs when the Policy is varied);
- b** refunds of premium should be treated as refunds of premium back to the inception date, renewal date or variation date as the context requires;
- c** issuing a Policy should be treated as references to issuing the Policy at inception, renewing or varying the Policy as the context requires.

Where this Policy provides cover for:

- A** any person who is not the named Insured; and
- B** that person would, if they had taken out such cover in their own name, have done so for purposes wholly or mainly unconnected with their trade business or profession,

We will not invoke the remedies which might otherwise have been available to Us under this General Condition (Fair Presentation of the Risk) as against the Insured, if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular person who is not the Insured. However, if the person concerned or the Insured on their behalf makes a careless misrepresentation of fact, We may invoke the remedies available to Us under this General Condition as against that particular person, as if a separate insurance contract had been issued to such person, leaving the remainder of the Policy unaffected.

## 8 Cancellation

You may cancel this Policy by writing to or emailing the insurance adviser with whom You arranged this insurance. We will cancel this Policy and the record on the Motor Insurance Database with effect from the date We receive notice from Your insurance advisor.

If You choose to do this You are entitled to a refund of the premium calculated from the date We cancel this Policy and the record on the Motor Insurance Database. We will calculate Your refund on a proportionate basis in respect of the unexpired Period of Insurance less an administration charge of £25 to cover operational costs. The amount of premium to be refunded will be reduced by any unpaid premium or any unpaid monthly instalments due to Us in connection with Your Policy.

If any claim has been made or any incident has arisen in the current Period of Insurance which may give rise to a claim, the full annual premium will be payable to Us.

### Our Cancellation Rights

In addition to the Insurer's rights set out elsewhere in the Policy, including but not limited to Condition 6 (Fraud) and Condition 7 (Fair Presentation of the Risk), where there is a valid reason for doing so the Insurer may cancel this Policy at any time by giving the Insured at least 7 days' notice in writing sent to the Insured's last known address. The notice will set out the reason for cancellation.

Valid reasons for cancellation may include but are not limited to:

- Non payment of premium (including if the premium for this Policy is paid by instalments and in the event that the Insured fails to pay one or more instalments whether in full or in part). In the event that a premium payment is missed the Insurer will write to the Insured notifying them that a payment has been missed and requesting payment by a specific date.

If payment is not received by the Insurer by the specific date the Insurer will send a final letter to the Insured requesting payment by a final date which will be set out in the final letter.

If payment is not received by the final date the Insurer will cancel the policy with immediate effect. The Insured will be notified in writing if the policy is cancelled;

- Failure by the Insured to comply with the terms and conditions of this Policy;

- Failure by the Insured to allow the Insurer to complete a survey (where the Policy has been issued or renewed subject to a survey);
- Failure by the Insured to adhere to, or implement, any risk improvement requirements or conditions required by the Insurer, including any changes required by any survey or claims adjusters report, within a reasonable period of time as advised by the Insurer;
- Material change in the risk;
- Failure by the Insured to co-operate with the Insurer or provide the Insurer with information or documentation reasonably required by the Insurer and the lack of co-operation by the Insured affects the Insurer's ability to process a claim or defend the Insurer's interests or make risk based underwriting decisions. In this case the Insurer will write to the Insured giving notice of cancellation of this Policy in the event that the Insured does not cooperate to provide the information or documentation reasonably required within a period of 7 days starting from the date provided in the letter;
- The Insured's use of threatening, abusive or intimidating behaviour or inappropriate language or bullying of the Insurer's staff or suppliers; or
- Failure to supply Us with proof of the historical claims and exposure details declared to Us in the quotation request within 30 days of inception.

If the Insurer does cancel this Policy the Insured will be entitled to a proportionate return of the premium in respect of the unexpired Period of Insurance. The amount of premium refund payable will be reduced by all unpaid premiums or unpaid premium instalments due.

## 12 Car Sharing

The receipt of contributions as part of a car sharing arrangement for social or other similar purposes in respect of the carriage of passengers on a journey in a vehicle insured under Your Policy will not be regarded as constituting the carriage of passengers for hire or reward (or the use of the vehicle for hiring) provided that:
